PROPOSAL**

GOLF DAY - THURSDAY 15TH MAY 2025

Presented by:

Rachel Hailey
rachelhailey@comptoncare.org.uk

comptoncare.org.uk

For over 40 years, we have been providing specialist palliative and end of life care to patients, and support for their families, helping them to navigate every aspect of life with a life limiting condition. Our specialist care, whether delivered at our purpose-built facilities on site here at Compton Hall or in a patient's own home, is tailored to individual needs, helping patients and their loved ones to feel safe and supported. Ensuring local people living with or caring for someone with a palliative diagnosis have access to the care and support they need remains our number one priority.

It is estimated that it will cost £14.5 million to run Compton Care this year alone.

In the past year, thanks to the support of our local community we are proud to say that we have been able to:

- Answer 21,000 calls that were received and managed through our 24/7 advice and referral line.
- Provide 24-hour specialist care on our IPU to 433 patients.
- Help and support over 100 children and young people through our dedicated Children & Young Person Support Worker.
- Provide 4,211 support sessions through our Patient and Carer Support Services, which includes pre-bereavement, bereavement, social and spiritual support.
- Attend 4,125 home visits, which were made by doctors, paramedics and nurses offering specialist support to families.
- Prevent 722 hospital admissions, thanks to the success of our virtual ward since opening in April 2023

Most recently, we are delighted to have opened a brand-new development in Low Hill (30-32 Ruskin Road), Wolverhampton, enabling more people in the local community living with a life limiting condition to access the expert care and support they need. Our second facility ensures that our services are easily available for those in the area, particularly individuals who face challenges travelling to our main site in Compton, west of the city.

GOLF DAY

Thursday 15th May 2025

Following a hiatus in 2024, we are back in 2025 with a brand new venue, The Astbury Golf and Lodge Resort in Bridgnorth.

This exclusive event will host 72 guests by personal invitation.

Over the years, our Golf Days have raised crucial funds to support our patients and their families. The event has been attended by guests who had a previous connection to Compton Care and either live or work locally to Compton.

As an event sponsor there will be an opportunity for you to receive recognition for your donation in various forms during the event, dependent on your choice of package, ranging from £500, to £3,000 as headline sponsor. Please see the next page for what is included in each package.

It is with this in mind that we are presenting our corporate sponsorship package to you. We hope you will consider supporting the event by selecting one of the sponsorship options available.

The day will begin with a locally sourced bacon roll and your choice of tea or coffee upon arrival, followed by a shotgun start at 12pm. Participants will enjoy a round of golf, along with daytime refreshments, and later a summer terrace BBQ. The event will conclude with an awards presentation.

Please consider joining us at the event by entering a team if this is not included in your chosen sponsorship package.
