### Data Protection

- Compton Care maintains databases for course management and marketing. Contact details are held and may be used as a basis for a mailing list to promote future courses (this information is not made available to other organisations).

- This is a full 2-day course which requires attendance on both days and as such certificates can only be issued if this requirement is fully met.
- A mix of teaching methods (lectures, discussions, interactive exercises etc) are employed throughout the course but the emphasis is on role play. Due to its experiential content this can by its nature trigger strong personal emotions. In view of this we suggest that participants consider any recent significant or stressful life events prior to booking. Please contact us if you wish to speak to a facilitator to discuss this further in confidence before booking.
- It is important that you can fully participate in all scheduled sessions by making alternative arrangements for any other commitments.
- It is the applicant's responsibility to arrange for study leave / fees from their place of work where necessary.
- It is the responsibility of the applicant to ensure that we are informed of any access or specific dietary requirements prior to arrival.
